

PlateMaker 5 XL

32-Up Process-Free Polyester CTP

The PlateMaker 5 XL is a chemical-free, process-free, total prepress system that images polyester plates, and paper proofs up to 914 mm x 1219 mm (36" x 48"). Powered by OpenRIP Symphony 3.0, our all-in-one PDF workflow preserves file content and automates prepress tasks such as trapping and imposition. The PlateMaker 5 XL is an ideal solution for the newspaper and book publishing industry.

Imaging Process Xerographic LED
