

TL-30 TOP LOAD FEEDER

The high volume TL-30 Top Load Feeder was designed to make your laser printer or finishing device more productive. It holds up to 500 envelopes and features a top-load design that eliminates annoying delays for reloading envelopes, sheets, postcards and other hard to feed pieces.

The unique floating acceleration table provides easy integration. There's no wiring, mechanical latching or removal of trays necessary! Simply roll the TL-30 into place, add media and run!

PART NO.: TL-30 (250-100106)

DIMENSIONS: 36" L x 27.5"W x 50" High

MEDIA HANDLING:

WIDTH: 76 mm min. up to 304 mm max.

LENGTH: 127 mm min. up to 457 mm max.

THICKNESS: Single sheet up to 9 mm thick
